Outgoing Presidents message

Greetings Everyone, We have again reached that time of the year, an increase in business for everyone hopefully and the change in officers. I hope everyone's work load is picking up with graduations, weddings, communions, etc. I know I am seeing a slight increase. We will be having our change in officers next month (June) and I wish the incoming officers may best wishes. This month we had Glen Gray speaking on Marketing . Glen presentation gave me some new ideas on marketing some of my work, thanks glen did anyone else pick up anything new. In closing I want to thank all the members of Central for the support you gave me as President. I also want to thank all my fellow officers Stacy who did her usual great job finding our speakers and sponsors, Marty in getting all the new members and increasing our ranks, Carrie for the great photos of our meetings, Clinton reporting our minutes and handling the correspondence, and last but not least John for the excellent handling of our books. I look back at the past year and am happy that we did accomplish some of my plans we did increase our membership, some past members have come back, and we had some new members join. I ask all the members to give their support to the new officers as you did to me.

Thank you all,

Walt

Incoming Presidents message

Hello all

I am Proud to be the new President of the Central Region for the PPANJ. I can remember back to my first convention in February of 1997. I had just graduated college and was starting my career. I wanted to thank the PPANJ for helping me get to where I am today. Without the help and support of my fellow members, I don't know where I would be today. As I have sat at council for most of my time as a member, I remember listening to all the ideas on how to grow this association. Every year, I feel we do come a step closer to reaching goals, and I try to get as much involved as I can, because I love it. You can get as much out of the PPANJ as you put into it. This term as me being President, I hope to meet all your needs and do my duties as your President. I have an amazing crew working with me this year. I have, Martin Tremarco as my 1st VP, Carrie Kozak as my 2nd VP, Clinton Linton as my 3rd VP, Ed O' Malley as my Secretary, and John Pacetti as my Treasurer.....With this Crew, I am confident that we will have a fun, and fulfilling year. Next month we have a fun outing with models, food, fun, etc, on Monday, July 9th. We have a beach scene this year . So grab your cameras, your bathing suits, and get ready to have fun.

As most of you know I am a new "Mommy", and I wanted to thank Carrie Kozak for coming to the hospital and taking beautiful first pictures of my new little son, Zachary Ryan, and sharing it with my fellow members. And a big thank you to all those who called/emailed/texted me to send Dave and myself wonderful wishes. We will bring him to the next program to show him off. Zachary is looking forward to meeting all of you.

Berkeley Island Park, Bayville, NJ is where our July 9th program will be held, hope to see you all there. The hours will be 10- 5pm.

Sincerely,
Your President
Stacy Evans
